LABEL OUTLET

Who doesn't love a bargain? Every season we add new, on-trend styles to our Elevate and Slazenger collections. But to make space for these, we have to discontinue others. As we prepare to launch the new autumn 2018 ranges, we are able to offer you selected Slazenger and Elevate styles at attractively discounted prices. What better opportunity to snap up a few performance Jaya jackets or Yukon polo shirts for a fraction of their original cost!?

This Outlet brochure shows all the available discounted styles, but you do need to act fast, as there is only a limited amount of stock! All items can be decorated as usual.

Please ask your sales contact about available colours, stock levels and, of course, the special discounted prices.

* Please note that for some styles there are only men's or women's style available.
